AMERICAN TECHNICAL CERAMICS CORP.

UNITED STATES DISTRICT COURT

SOUTHERN DISTRICT OF CALIFORNIA

PRESIDIO COMPONENTS, INC., Plaintiffs, v. AMERICAN TECHNICAL CERAMICS CORP., Defendant.	Case No. 3:08-cv-00335-IEG-NLS **JOINT MOTION TO ENLARGE THE PAGE LIMIT FOR ATC'S REPLY BRIEF** Courtroom 1__ Judge Irma E. Gonzalez

Plaintiff Presidio Components, Inc. ("Presidio") and Defendant American Technical Ceramics Corp. ("ATC"), file this Joint Motion to Enlarge the Page Limit for ATC's Reply Brief and would respectfully show the Court as follows:

ATC prepared its motion for summary judgment of indefiniteness before the Court issued the Claim Construction Order, and therefore addressed the indefiniteness of the literal, unconstrued language of the asserted claims. (ATC filed its motion on the day the Court issued its order.) Presidio opposes summary judgment of indefiniteness arguing that the claim terms as construed by the Court are definite. Presidio also introduced a new expert and corresponding 12-page declaration in its opposition to ATC's motion.

Accordingly, to address the issues which arose after ATC filed its opening brief, the parties seek leave of Court for ATC's Reply Brief to exceed the 10-page limit of CivLR 7.1(h) by up to four pages.

ACCORDINGLY, THE PARTIES HEREBY STIPULATE AND JOINTLY MOVE THAT: ATC may use up to four additional pages in its Reply Brief, to the total of 14 pages.

Dated: July 18, 2008

Respectfully submitted,

MINTZ, LEVIN, COHN, FERRIS,
GLOVSKY AND POPEO, P.C.
